

## ÆKOS Data Citation and Conditions of Use

*All data accessed from the ÆKOS Data Portal should be cited using the same publication ethics for scientific papers. These are described below as conditions of use.*

### Survey Name: Office of Environment and Heritage, New South Wales - V\_GULAGDP3 Vegetation Survey (null)

#### Citation

This dataset should be cited as: New South Wales Office of Environment and Heritage (2014). V\_GULAGDP3 Vegetation Survey, Data from the Atlas of NSW database: VIS flora survey module, Version /. Persistent Hyperlink: [http://www.aekos.org.au/collection/nsw.gov.au/nsw\\_atlas/vis\\_flora\\_module/V\\_GULAGDP3](http://www.aekos.org.au/collection/nsw.gov.au/nsw_atlas/vis_flora_module/V_GULAGDP3). TERN ÆKOS Data Portal, rights owned by State of New South Wales (Office of Environment and Heritage <http://www.environment.nsw.gov.au/>). Accessed [dd mmm yyyy, e.g., 01 Jan 2016].

#### licence
